

## **NHC HIRING: Full Time CNA**

Are you a certified nursing assistant interested in a job opportunity?

Looking for growth or expanding your experience as a certified CNA? We offer both rehabilitation and long-term care experience for CNA's. We call it the best of both worlds! Do you want to work for a company that strives and sets high-quality standards for patient care? Look no further than NHC!

But guess what? It gets even BETTER... You can work for us and be eligible for many other benefits including insurance, 401(k), dental/vision, PEP program, and tuition reimbursement for college/education, recruitment bonuses, and much, much more.

But wait, we are not done yet... Our pay is competitive with up to \$3.00 more for shift differentials per hour. Plus you could work for one of the largest healthcare systems in the southeast and we were named in Forbes top 100 best businesses to work for.

We are currently hiring CNA's and also look forward to meeting with you!
