## NOTICE

This past fall, a few people suggested a week to week calendar format as opposed to our existing newsletter format each month. I gave them my word that I would give it a try for 3 months starting in January & if enough people seemed to like it that way,...we would keep it up! Many of you have spoken and prefer the old newsletter format & quite frankly, I do too! So, in April, look for an old familiar look! Thanks so much for your patience and participation!
