

To: Melvin S. Brown
Chief of Police
City of Millersville Police Department

Dear Chief Brown,

It is with a regretful heart that I, Glenn R. Alred, must submit my resignation as the Assistant Chief of Police for the City of Millersville Police Department, effective August 04, 2023. I have cherished my time working with the dedicated law enforcement professionals in our department, including the Chief of Police, city manager, and our officers. However, due to recent circumstances, I find it necessary to step away from my position.

The reason for my resignation is the ongoing and relentless harassment through false allegations directed at myself, the Chief of Police, the city manager, and our officers.

The Mayor, Vice Mayor, several of their family members, and certain community members have pursued a personal vendetta against us, seeking personal gain at the expense of our professional reputation. These individuals have resorted to spreading false information on social media platforms and reaching out to the media to propagate a fabricated narrative. Their actions have not only caused immense pain to the Millersville Police Department and the City but have also significantly impacted my personal life, my family, and my health.

I have reached the point where I can no longer endure or tolerate the hostile working environment created by these individuals. The constant barrage of false accusations and their subsequent dissemination have undermined the integrity of our department and hindered our ability to serve and protect our community effectively. It is with great sadness that I have come to this decision, as I have always been committed to upholding the highest standards of law enforcement.

I would like to express my deepest gratitude to the citizens, other commissioners, and all those who have supported our efforts to maintain public safety. I also extend my appreciation to the dedicated members of the Millersville Police Department, whose professionalism and commitment have been unwavering throughout these challenging times. I will ensure a smooth transition during my remaining time in the department and offer my assistance in any way possible to ensure the continuity of operations. I am confident that the department will overcome these challenges and continue to serve the community with distinction.

I kindly request that you process my resignation accordingly and provide any necessary information regarding the resignation processes. Please let me know if there is anything further required from my end to facilitate a seamless transition.

Thank you for your understanding and support. It has been an honor to serve the City of Millersville Police Department, and I am grateful for the opportunities and experiences I have gained during my tenure.

Sincerely,
Glenn R. Alred
